

## Physical Therapist - PRN

CAREmasters homehealth LLC - Sarasota, FL 34236  
Temporary

**CAREmasters** is a private duty CHAP accredited home health agency providing a complete range of home care services to the community.

In addition **CAREmasters operates as a Healthcare Services Pool** providing nurses, therapists and caregivers on temporary assignments to local hospitals, rehabilitation facilities, nursing homes and assisted living facilities.

**Where caring meets excellence.....** is what our clients have come to expect from our healthcare professionals. We deliver compassionate high-quality care to clients in their homes, including non-medical personal assistance and skilled nursing care. Our temporary healthcare professionals are known to local healthcare facilities for their broad spectrum of skills and delivery of services in time with utmost quality.

For our healthcare facility clients we are looking for **Physical Therapists - PRN**

- The Physical Therapist provides physical therapy treatment and patient care according to healthcare facility, professional, state, and federal regulations, using a comprehensive patient specific plan of care. You will work in tandem with a full team of healthcare professionals including physical therapist assistants, nurses, other therapists and aides. The position:
- Requires effective communication skills for working with patients, families, caregivers, and for co-professional relationships
- Requires competency in physical therapy evaluation, assessment, care planning and treatment
- Requires task delegation and supervision of physical therapist assistants and technicians
- Maintains open and on-going communication with healthcare facility departments to ensure patient, staff, and hospital needs are met. The Physical Therapist creates an environment that enables the healthcare facility to fulfill its mission by providing patient safety and patient-centered treatment
- Treat patients to relieve pain, develop and restore function and maintain maximum performance using appropriate physical therapy treatments and procedures as stated in the physical therapy plan of care
- Observe, record and report the patient's response to treatment and any changes in patients condition
- Cooperatively utilize varied solutions to educate and promote the health and independence of the patient which includes instruction in the use of prosthetic, orthotic devices and durable medical equipment, as appropriate
- Assess, monitor, document and report progress of patient's health and condition using required documents, reports and established timelines
- Actively participate in patient care conferences to ensure coordination of patient care

**CAREmasters** offers you career opportunities and independence. As one of Southwest Floridas quality providers of healthcare services we work with you to reach your personal and professional goals. We offer our PRN Therapists flexible scheduling: You decide when and where to work. We support you with our 24/7 Sarasota office staff, so you can focus on your work, not being distracted by unreliable schedules or lack of communications. The compensation for this position is **attractive** . To get started you will need:

- Current Florida unencumbered license to practice as a Physical Therapist
- Current CPR certification
- Valid Driver's License and reliable transportation

- Current Auto Insurance where you are listed as a driver

We, at **CAREmasters** believe that our employees are our greatest and most cherished asset and we strive to be THE employer of choice in our area. Please apply here on indeed.
