

CAREmasters

Job Description: LPN - Licensed Practical Nurse

CAREmasters offers Licensed Practical Nurses independence and flexibility in terms of time, location and type of work preferred. As one of Southwest Florida's quality providers of healthcare services we work with you to reach your personal and professional goals. **Day, night, week and weekend assignments are available up to 40 hours per week.** We offer our Per Diem Nurses flexible schedules: You decide when and where to work. For LPN with high flexibility who commit to our **ON-CALL System** we offer **full-time employment.** We support you with our 24/7 Sarasota office staff who cares for you and schedules your assignments. CAREmasters can offer 8 or 12 hours day or night shifts in hospitals, rehabilitation centers, skilled nursing facilities and continuous care environments. We can schedule you for weeks ahead, so you can plan. Your professional competence, pro-activity and reliability will be rewarded with **attractive pay rates.** We offer weekly deposits. To get started with CAREmasters we require the following qualifications:

- Florida LPN License
- IV-Certification is beneficial
- Med-surg experience is beneficial
- TB Testing (2 steps) or chest X-ray
- CPR Certification
- Social security card
- Valid FL Driver's License

CAREmasters is a private duty home health agency and healthcare services pool providing home care services to the elderly in need and temporary healthcare professionals to support medical facilities.
