

CAREmasters

Job Description: INTERIM DON – Director of Nursing

CAREmasters healthcare services LLC is a provider of temporary healthcare services in Southwest Florida. Our caregivers, nurses and therapy professionals render services to hospitals, rehabilitation centers, skilled nursing and hospices to complement facility staff in times of census fluctuations or staff shortages. Besides direct care professionals CAREmasters offers licensed staff to **cover temporary management functions in skilled nursing**. Interim DON/ADON or interim NHA can help to overcome transitional periods to cover for vacation, sick leaves or sudden loss of staff. They can support survey compliance, plans of correction, review of documents or policy & procedures, quality reviews and audits, provide interim risk management, handle complaint/grievance processes, cover incident management and many more.
